PRESENT:

HIS HONOUR THE ADMINISTRATOR OF THE

IN COUNCIL.

THE COMMITTEE OF COUNCIL have had under consideration the Order of His Honour the Lieutenant-Governor in Council, dated May 27th, 1896, directing that monthly sessions of the Supreme Court for the trial of civil causes should be held during the months of June, July, August, September and October, at the Town of Nelson, within and for the West Kootenay District, and at other places within the said District, and notice of which Order was published in the British Columbia Gazette on the 4th day of June, 1896, as follows:—"Supreme Court sittings in Kootenay. That the terms of the Order directed:—

(1.) That sessions of the Supreme Court for the trial of civil causes and the disposal of such business as might be pending in the Supreme Court within and for the District of Kootenay aforesaid, be holden by and before a Judge of the Supreme Court at the Town of Nelson aforesaid, at the following times during the year, 1896, that is to say:—

On the first Tuesday in the month of June:
On the first Thursday in the month of July:
On the first Monday in the month of August:
On the first Tuesday in the month of September:

On the first Thursday in the month of October:
Commencing at the hour of eleven o'clock on each of the said days.

(a.) Provided always that if, owing to the absence of a Judge, or for other cause, any of the said several Courts cannot be opened or held on any of the days aforesaid, it should be lawful for the Deputy Registrar of the Supreme Court to postpone the opening of the Court to another day, and so from time to time; and Provided further, that any Supreme Court Judge might open and hold the said Court on any other days than those aforesaid.

(2.) (a) of the said Order should, mutatis mutandis, apply to such adjourned Court.

(3.) That in addition to the Courts thereinbefore appointed to be held, Courts might be held in such other places and times within the West Kootenay Judicial District aforesaid, as a Judge of the Supreme Court might from time to time direct.

I. That the aforesaid Order of His Honour the Lieutenant-Governor be affirmed.

II. That the appointment of Terence H. Giffin as a District Registrar under the "Supreme Court Act" be cancelled, and that the said Terence H. Giffin be reappointed as a Deputy of the District Registrar of the Supreme Court for the Victoria Judicial District.

III. IV. Appearances to process issued by the said Deputy Registrar, at Nelson, shall be made returnable at Nelson, and shall be entered there, and not at Victoria, and the Deputy Registrar shall receive and file, and shall issue all such process, appearances, affidavits, writs and documents, and shall collect the same fees by means of stamps as are received, filed or issued at Victoria, and all writs, appearances, affidavits, documents and proceedings whatsoever, relating to proceedings instituted at Nelson, aforesaid, or the venue in which is changed to Nelson by the Order of the Court or a Judge, shall have the like validity, force and effect as if before the date of this Order the same had been received, filed or issued at the District Registry at Victoria.

V. A Judge may at any time, by special order, direct that the issuing or filing of any writ, appearance or process, issued or filed, received or entered at Victoria, shall have the same effect as if issued, filed, received or entered, as the case may be, by or with the Deputy Registrar at Nelson.

RULE 59.

ALL APPLICATIONS for Private Bills, properly the subject of legislation by the Legislative Assembly of British Columbia, within the purview of the “British North America Act, 1867,” whether for the erection of a Bridge, the making of a Railway, Tramway, Turnpike Road, or Telegraph or Telephone Line; the construction or improvement of a Harbour, Canal, Lock, Dam, Slide, or other like work; the granting of a right of Ferry; the incorporation of any particular trade or calling, or of any Joint Stock Company; or otherwise for granting to any individual or individuals any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which in its operation would affect the rights or property of other parties, or relate to any particular class of the community, or for making any amendment of a like nature to any former Act,—shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such notice to be published as follows:—

In the BRITISH COLUMBIA GAZETTE, and in one newspaper published in the District affected, or if there be no newspaper published therein, then in a newspaper in the next nearest District in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition, and copies of such notice shall be sent by the parties inserting such notice to the Clerk of the House to be filed amongst the records of the Committee on Standing Orders.

60. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by the preceding rule, also at the same time and in the same manner, give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a draw-bridge or not, and the dimensions of the same.

61. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills:—Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be re-cast by the promoters and re-printed at their expense before any Committee passes upon the clauses.

55. The expenses and costs attending on Private Bills giving any exclusive privilege, or for any object of profit, or private, corporate, or individual advantage; or for amending, extending, or enlarging any former Acts, in such manner as to confer additional powers, ought not to fall on the public; accordingly, the parties seeking to obtain a Private Bill shall pay the Clerk of the House the sum of one hundred dollars before the first reading thereof; and an additional sum of one hundred dollars immediately after the second reading thereof. And no such Bill shall be read a first time, or committed after second reading, until the fees payable on the first or second reading respectively are paid to the Clerk, and all such Bills shall be prepared by the parties applying for the same, and printed in small pica type, twenty-six ems by fifty ems, on good paper, in Imperial octavo form, each page when folded measuring 10½ inches by 7½ inches, and 100 copies thereof shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be re-printed by the promoters thereof.

[2578]

AT THE GOVERNMENT HOUSE AT OTTAWA,

Wednesday, the 8th day of July, 1896.

PRESENT :

HIS EXCELLENCY THE GOVERNOR-GENERAL
IN COUNCIL.

ON a Memorandum dated 30th June, 1896, from the Minister of the Interior, stating that Mr. J. L. Hughes, of Cherry Creek, British Columbia, rancher, has applied for permission to purchase the following lands situated in Township 19, Range 19 west of the 6th Meridian, viz. :—The undisposed of portions of the west half of Section 35, containing 196 acres, the available portions of the north half and south-east quarter of Section 33, together containing 245 acres, and the south-west quarter of Section 34, containing 160 acres, making a total of 601 acres. Mr. Hughes, who is the proprietor of adjacent lands, which he acquired from the Provincial Government, is extensively

engaged in the business of stock-raising and requires the land he now applies for in connection with that business.

The Minister is of opinion that it is advisable to authorise a sale of the lands to Mr. Hughes.

The Minister further states that Mr. Hughes claims to have applied for the lands to Mr. Fawcett, who surveyed them for the Dominion Government, prior to 1889, in which year the price of Dominion lands in British Columbia was increased from \$2.50 to \$5.00 per acre, and he therefore contends that he should not be required to pay more than the rate existing at the time he made that application.

The Minister cannot recognize that application as giving Mr. Hughes any right to purchase now at a less rate than the existing price.

The Minister further states that Mr. William Pearce, the Superintendent of Mines, reports that these lands are not worth more than \$2.50 per acre, the price at which a large tract in the same locality was sold to Mr. W. J. Roper under authority of the Order in Council of 30th June, 1894.

The Minister therefore recommends that he be authorised to sell to Mr. J. L. Hughes the above described lands at and for the price of \$2.50 per acre, anything in the existing regulations for the disposal of lands in the railway belt, British Columbia, to the contrary notwithstanding, the sale to be on the usual terms, namely, one-fourth down and the remainder in three equal annual payments with interest on the unpaid balances at the rate of six per cent. per annum.

The Committee advise that the requisite authority be granted.

JOHN J. MCGEE,

Clerk of the Privy Council.
